CONSENT TO ACCESS

United Park City Mines Company, owner of the property known as Richardson Flat Tailings, located in the NW 1/4, Section 1, Township 2 South, Range 4 East, Summit County, Utah, agrees to allow Mike McCeney, an employee of the Environmental Protection Agency ("EPA") in Region VIII, and Muhammed Slam and Dan Symonik, employees of the Division of Environmental Health, Utah Department of Health (hereinafter the above-referenced three persons are collectively referenced as "the Federal and State Representatives"), to enter upon the above-described property on the date of September 28, 1990, after meeting with United Park City Mines Company personnel at 11:30 a.m. at the junction of Highways U 248 and US 40, solely for the purpose of a visual inspection of the above-described property.

No samples, of any type, shall be taken from or about the above-described property; however, if any samples were to be taken, United Park City Mines Company would be allowed to take splits of each sample taken and would be given a receipt describing each sample taken.

The Federal and State Representatives shall be accompanied by United Park City Mines Company personnel at all times while the Federal and State Representatives are on the above-described property. Prior to the Federal and State Representatives' entry upon the above-described property, the Federal and State Representatives shall meet with United Park City Mines Company personnel at 11:30 a.m. on September 28, 1990, at the junction of Highways U 248 and US 40 and then proceed to the above-described property.

It is understood that the Federal and State Representatives shall promptly provide United Park City Mines Company with copies of any photographs taken of the above-described property and of any report made or data collected from the above-referenced investigation.

United Park City Mines Company by this Consent to Access assumes no liability for the actions of the Federal and State Representatives upon the above-described property.
